BOARD OPERATION GOALS

The primary responsibility of the Board is to establish purposes, programs and procedures that produce the educational achievement needed by District students. The Board is also responsible for wise management of resources available to the District. The Board must fulfill these responsibilities by functioning primarily as a legislative body to formulate and adopt policy, by selecting an executive officer to implement policy and by evaluating the results. The Board carries out its functions openly, while seeking the involvement and contributions of the public, students and staff in its decision-making processes.

In accordance with these principles, the Board seeks to achieve the following goals to:

1. concentrate the Board's collective effort on its policy-making and planning responsibilities;
2. formulate Board policies which best serve the educational interests of each student;
3. provide the Superintendent with sufficient and adequate guidelines for implementing Board policies;
4. maintain effective communication with the school community, the staff and the students in order to maintain awareness of attitudes, opinions, desires and ideas;
5. allow those responsible for carrying out objectives to contribute to their formation;
6. conduct Board business openly, soliciting and encouraging broad-based involvement in the decision-making process by the public, students and staff and
7. review its performance relative to the goals on a periodic basis.

SCHOOL BOARD LEGAL STATUS

The Ohio General Assembly has delegated responsibility for the conduct of public schools in each school district to a local board of education. Boards of education are political subdivisions of the state and members of a board are officials elected by the citizens of a district to represent them in the management of the public schools.

Legally, a board of education is a body politic and corporate, capable of suing and being sued; contracting and being contracted with; acquiring, holding, possessing and disposing of real and personal property; and taking and holding in trust for use of the district any grant or gift of land, money or other personal property.

The Board of the Clearview Local School District is composed of five members elected by the citizens of the District. A regular term is four years.

BOARD MEMBER AUTHORITY
(And Duties)

Because all powers of the Board lie in its action as a group, individual members exercise their authority over District affairs only as they vote to take action at a legal meeting of the Board.

An individual Board member acts on behalf of the Board only when, by vote, the Board has delegated authority to the member.

It is the duty of the individual members of the Board to attend all legally called meetings of the Board, except for compelling reasons to the contrary, to participate in normal Board business operations and represent all citizens' interests in matters affecting education.

SCHOOL BOARD ELECTIONS

Members of the Board are elected at large by the qualified voters of the District on a nonpartisan ballot on the first Tuesday following the first Monday in November in odd-numbered years.

Each Board member is elected to a four-year term of office, which begins on the first day of January after the election. Terms expire on December 31, except as otherwise provided by law. In a four-year period, terms are staggered so that two members are elected in one-half of the four-year period, and three elected in the other half.

Candidates for election are nominated by petition. In local school districts, the petition must be signed by 25 qualified electors of the district.

BOARD MEMBER QUALIFICATIONS

Under State law, a board member must be an elector residing in the District. To qualify as an elector, a person must be a citizen of the United States, 18 years of age or older, a resident of the state for at least 30 days prior to the election and a resident of the county and precinct in which he/she offers to vote for at least 30 days prior to the election.

A variety of other public positions, elected and appointed, have been determined by the General Assembly or the courts to be incompatible with board membership. Generally, offices are considered incompatible when one is subordinate to, or in any way provides a check upon the other or when it is physically impossible for one person to discharge the duties of both positions.

Before taking office, each person elected or appointed to the Board is required by law to take an oath of office.

UNEXPIRED TERM FULFILLMENT
(Board Vacancy)

A vacancy on the Board may be caused by:

1. death;
2. nonresidence;
3. resignation;
4. removal from office;
5. failure of a person elected or appointed to qualify within 10 days after the organization of the Board or of his/her appointment or election;
6. relocation beyond District boundaries or
7. absence from Board meetings for a period of 90 days, if the reasons for the absence are declared insufficient by a two-thirds vote of the remaining Board members. (The vote must be taken not earlier than 30 days after the 90-day period of absence.)

Any such vacancy will be filled by the Board at its next regular or special meeting not earlier than 10 days nor later than 30 days after the vacancy occurs. A majority vote of all the remaining members of the Board is required to fill the vacancy.

Each person selected to fill a vacancy holds office:

1. until the completion of the unexpired term or
2. until the first day of January immediately following the next regular Board election taking place more than 90 days after a person is selected to fill the vacancy. (At that election, a special election to fill the vacancy is held. No such special election is held if the unexpired term ends on or before the first day of January immediately following that regular Board election. The term of a person elected in this manner begins on the first day of January following the election and is for the remainder of the unexpired term.)

The shorter of the above options determines the length of office.

BOARD MEMBER CODE OF ETHICS

The Board believes public education should be conducted in an ethical manner. In addition to State law, the conduct of Board members should conform to the code of ethics recommended by the Ohio School Boards Association, which includes the following.

It is unethical for a board member to:

1. seek special privileges for personal gain;
2. personally assume unauthorized authority;
3. criticize employees publicly;
4. disclose confidential information;
5. place the interest of one group or community above the interest of the entire District;
6. withhold facts from the Superintendent, particularly about the incompetency of an employee or
7. announce future action before a proposition has been discussed by the Board.

It is unethical for the Board to:

1. withhold facts from the Superintendent, particularly about the incompetence of an employee;
2. give personal consideration to complaints;
3. perform administrative duties belonging to the Superintendent;
4. elect to any school position a candidate not recommended by the county superintendent;
5. employ any candidate except on merit, or dismiss an employee except for good cause;
6. consider a complaint against a teacher that is not first submitted to the Superintendent;
7. withhold notice of failure to re-appoint until so late that the employee is handicapped in finding another position;
8. keep the public in ignorance on school matters;
9. announce the probable future action of the Board or
10. make no effort to be informed on school matters.

BOARD MEMBER CODE OF ETHICS

While serving as a member of my Board of Education, I accept the responsibility to improve public education. To that end I will:

remember that my first and greatest concern must be the educational welfare of all students attending the public schools;

obey the laws of Ohio and the United States;

respect the confidentiality of privileged information;

recognize that as an individual Board member I have no authority to speak or act for the Board;

work with other members to establish effective Board policies;

delegate authority for the administration of the schools to the Superintendent and staff;

encourage ongoing communications among Board members, the Board, students, staff and the community;

render all decisions based on the available facts and my independent judgment rather than succumbing to the influence of individuals or special interest groups;

make efforts to attend all Board meetings;

become informed concerning the issues to be considered at each meeting;

improve my boardmanship by studying educational issues and by participating in in-service programs;

support the employment of staff members based on qualifications and not as a result of influence;

cooperate with other Board members and administrators to establish a system of regular and impartial evaluations of all staff;

avoid conflicts of interest or the appearance thereof;

refrain from using my Board position for benefit of myself, family members or business associates and

express my personal opinions, but, once the Board has acted, accept the will of the majority.

NOTE: This Code of Ethics has been adopted by the Ohio School Boards Association Delegate Assembly on November 11, 1991 and remains unchanged.

BOARD MEMBER CONFLICT OF INTEREST

The Board and individual members follow the letter and spirit of the law regarding conflicts of interest.

A Board member will not have any direct or indirect pecuniary interest in a contract with the District; will not furnish for remuneration any labor, equipment or supplies to the District; nor be employed by the Board in any capacity for compensation.

A Board member may have a private interest in a contract with the Board if all of the following apply:

1. the subject of the public contract is necessary supplies or services for the District;
2. the supplies or services are unobtainable elsewhere for the same or lower cost, or are being furnished to the District as part of a continuing course of dealing established prior to the Board member's becoming associated with the District;
3. the treatment accorded the District is either preferential to or the same as that accorded other customers or clients in similar transactions and
4. the entire transaction is conducted at arm's length, with full knowledge by the Board of the interest of the Board member, member of his/her family, or his/her business associate, and the Board member takes no part in the deliberations or decision with respect to the public contract.

The law specifically forbids:

1. the prosecuting attorney or the city attorney from serving on this Board;
2. a Board member from serving as the school dentist, physician or nurse;
3. a Board member from being employed for compensation by this Board;
4. a Board member from having, directly or indirectly, any pecuniary interest in any contract with this Board;
5. a Board member from voting on a contract to employ a person as a teacher or instructor if he/she is related to that person as father, mother, brother, sister or spouse;

6. a Board member from authorizing, or employing the authority or influence of his/her office to secure authorization of any public contract in which he/she, a member of his/her family or his/her business associates have an interest;
7. a Board member from having an interest in the profits or benefits of a public contract entered into by, or for the use of, the District and
8. a Board member from occupying any position of profit during his/her term of office or within one year thereafter in the prosecution of a public contract authorized by him/her or a board of which he/she was a member at the time of authorization of that contract.

INCAPACITY OF THE TREASURER

A Treasurer Pro Tempore is appointed by a majority of the members of the Board upon determining that the Treasurer is incapacitated in such a manner that he/she is unable to perform the duties of that office. Incapacity is determined:

1. by request of the Treasurer, if the Treasurer is absent with pay by reason of personal illness, injury or exposure to contagious disease which could be communicated to others or is absent without pay in accordance with the Family and Medical Leave Act;
2. upon certification of the attending physician that the Treasurer is unable to perform the duties of the office of Treasurer;

During the period of incapacity, the Treasurer:

1. at his/her request, is placed on sick leave with pay, not to exceed the extent of his/her accumulated but unused sick leave and any advancement of such sick leave which may be authorized by Board policy;
2. at his/her request, or without such request, pursuant to the Family and Medical Leave Act, is placed on unpaid FMLA leave for up to 12 weeks per year or

The leave provided during the period of incapacity (described above) shall not extend beyond the contract or term of office of the Treasurer.

The Treasurer, upon request to the Board, is returned to active-duty status, unless the Board denies the request within 10 days of receipt of the request. The Board may require the Treasurer to establish to its satisfaction that the Treasurer is capable of resuming such duties and, further, that the duties may be resumed on a full-time basis.

The Board may demand that the Treasurer return to active service. Upon the determination that the Treasurer is able to resume his/her duties, the Treasurer returns to active service.

EVALUATION OF THE TREASURER

The Board evaluates the performance of the Treasurer in order to assist both the Board and the Treasurer in the proper discharge of their responsibilities and to enable the Board to provide the District with the best possible leadership.

The objectives of the Board's evaluation are to:

1. promote professional excellence to improve the skills of the Treasurer;
2. improve the quality of District business practices and
3. provide a basis for the review of the Treasurer's performance.

Criteria for the evaluation of the Treasurer are based upon the Treasurer's job description and relate directly to each of the tasks described. The job description and any revisions thereto are developed in consultation with the Treasurer and adopted by the Board.

The Board evaluates the abilities and services of the Treasurer at least once a year.

The evaluation of the Treasurer's abilities and performance is written and made available to and discussed with the Treasurer. The Board considers the evaluation of the Treasurer in acting to renew or nonrenew his/her contract.

Evaluation criteria are reviewed as necessary or as requested by the Treasurer, but not less frequently than annually. Any proposed revision of the evaluation criteria is provided to the Treasurer for his/her comments before its adoption.

TREASURER'S CONTRACT

The appointment of the Treasurer is secured through a written agreement stating the terms of the contract. The contract meets all state requirements and protects the rights of both the Board and the Treasurer.

The Treasurer is appointed for a term not to exceed five years. The term commences on August 1 and continues through July 31 of the year in which the contract expires. Should a vacancy occur mid-term, the Board can appoint a new hire to a term starting on any date – as long as the length of the contract does not exceed five years from the prior August 1. The period of time in which the Treasurer's contract may be renewed begins on January 1 of the year prior to the contract's expiration and ends on March 1 of the year in which the contract expires.

Salary and benefits are determined by the Board at the time of the appointment and are reviewed by the Board each year. The Treasurer's salary may be increased or decreased during his/her term of office. However, any decrease must be a part of "a uniform plan" affecting salaries of all District employees.

The termination procedures that currently apply to teachers and other administrators, requiring a due process hearing, apply to the Treasurer.

If the Board intends to nonrenew the Treasurer's contract, notice in writing of the intended nonrenewal must be given to the Treasurer on or before March 1 of the year in which the contract expires.

The Treasurer is automatically disqualified from service if he/she fails to maintain his/her license. The Board may permit an individual who does not possess a valid treasurer's license to serve as District Treasurer as long as the individual meets all qualifications for licensure and has applied for issuance or renewal of his/her license but has not yet received the State Board of Education's decision.

Nothing in this policy shall prevent the Board from making the final determination regarding the renewal or nonrenewal of the Treasurer's contract.

ADVISORY COMMITTEES TO THE BOARD

The Board may appoint ad hoc advisory committees to provide consultation services for determining the needs and expectations of the District and its residents. The central purpose of all advisory committees is to contribute to the educational program by conducting studies, identifying problems and developing recommendations that enhance the effectiveness of the decision-making process.

Specific topics for study or activity are assigned in writing to each committee immediately following its appointment. Committees are instructed as to the length of time each member is being asked to serve, the services the Board wishes rendered, the resources the Board intends to provide and the approximate date on which the Board expects to dissolve the committee.

Each committee serves in an advisory capacity only, proposing recommendations based on analysis of a problem, and exists only as long as is necessary to conduct the study and report to the Board.

The Board gives careful consideration to all recommendations, although final action and responsibility remain with the Board. The Superintendent/designee informs members of the committee of the Board's action.

Upon completing its assignment, each committee is either dissolved promptly or given a new task. Committees are not allowed to continue for prolonged periods without definite assignments. The Board has sole power to dissolve any of its advisory committees and reserves the right to exercise this power at any time during the life of any committee, after seeking the advice of the Superintendent.

All appointments to advisory committees are made by the Superintendent with the approval of the Board.

The Open Meetings Act (Sunshine Law) and its exceptions apply to meetings of advisory committees to the Board.

EXECUTIVE SESSIONS

Educational matters should be discussed and decisions made at public meetings of the Board. Some matters are more properly discussed by the Board in executive session. As permitted by law, such matters may involve:

1. the appointment, employment, dismissal, discipline, promotion, demotion or compensation of an employee, official or student or the investigation of charges or complaints against such individual, unless an employee, official or student requests a public hearing (the Board will not hold an executive session for the discipline of one of its members for conduct related to the performance of his/her official duties or for his/her removal from office);
2. the purchase of property for public purposes or for the sale of property at competitive bidding, if premature disclosure of information would give an unfair advantage to a person whose personal, private interest is adverse to the general public interest;
3. specialized details of security arrangements where disclosure of the matters discussed might reveal information that could be used for the purpose of committing, or avoiding prosecution for, a violation of the law;
4. matters required to be kept confidential by Federal law or State statutes;
5. preparing for, conducting or reviewing negotiations with public employees concerning their compensation or other terms and conditions of their employment or
6. in-person conferences with an attorney for the Board concerning disputes involving the Board that are the subject of pending or imminent court action.

Conferences with a member of the office of the State Auditor or an appointed certified public accountant for the purpose of an audit are not considered meetings subject to the Sunshine Law.

The Board meets in executive session only to discuss legally authorized matters. Executive sessions are held only as part of a regular or special meeting and only after a majority of the quorum determines, by a roll-call vote, to hold such a session.

When the Board holds an executive session for any of the reasons stated above, the motion and vote to hold the executive session shall state one or more of the purposes listed under such paragraph for which the executive session is to be held, but need not include the name of any person to be considered in the executive session. The minutes shall reflect the information described above.

In compliance with law, no official action may be taken in executive session. To take final action on any matter discussed, the Board reconvenes into public session.

The Board may invite staff members or others to attend executive sessions at its discretion.

Board members shall not disclose or use, without appropriate authorization, any information acquired in the course of official duties (which is confidential because of statutory provisions) or which has been clearly designated as confidential because of the status of proceedings or the circumstances under which the information was received.

AGENDA FORMAT

The agenda format is developed by the Superintendent and the Board in order to give direction to the Board meetings.

The tentative agenda, along with related materials and minutes of the previous meeting is distributed to each member at least 48 hours prior to the Board meeting. The particular order of agenda items may vary from meeting to meeting in keeping with the business at hand.

The agenda is adopted or modified by a motion of a majority of those members present. Once the agenda is approved, it requires a vote of a majority of the Board members present to make additional modifications.

Consent Agenda

In order to use time within the Board meetings more efficiently, the Board may use a consent agenda, whenever appropriate. Items placed on the consent agenda are routine in nature and typically appear on the Board's agenda every month. Board minutes and monthly expenses are two examples of what may be considered consent agenda items.

When the consent agenda is presented to the Board for action, the Board President provides the opportunity for any member of the Board or the Superintendent to request a discussion or removal of any items on the agenda. Items removed are placed on the regular agenda or tabled. Remaining items on the consent agenda are then voted on by a single motion.

AGENDA PREPARATION AND DISSEMINATION

The Superintendent, in consultation with the Board President, arranges the order of items on meeting agendas so that the Board can accomplish its business as expeditiously as possible. The particular order may vary from meeting to meeting in keeping with the business at hand.

Items of business may be suggested by a Board member, staff member or citizen of the District. The agenda may allow suitable time for remarks by the public who wish to speak briefly before the Board.

The Board follows the order of business established by the agenda, except as it may vote to rearrange the order for the convenience of visitors or other individuals appearing before the Board or to expedite Board business. An item of business which is not on the agenda may be discussed and acted upon if a majority of the Board agrees to consider the item. The Board, however, should not revise Board policies, or adopt new ones, unless such action has been scheduled.

BOARD POLICY DEVELOPMENT AND ADOPTION

Proposals regarding Board policies and operations may originate at any of several sources, including students, community residents, employees, Board members, consultants or civic groups. A careful and orderly process is used when examining policy proposals prior to Board action.

The formulation and adoption of written policies constitute the basic method by which the Board exercises its leadership in the operation of the District. The study and evaluation of reports concerning the execution of its written policies constitute the basic method by which the Board exercises its control over District operations.

The formal adoption of policies is recorded in the minutes of the Board. Only those written statements so adopted and recorded are regarded as official Board policy.

Final action by the Board on proposals shall be in accordance with this policy. The Board takes action on most matters on the basis of recommendations presented by the Superintendent. The Superintendent bases his/her recommendations upon the results of a study and upon the judgment of the staff and study committees.

Policies introduced and recommended to the Board should not be adopted until a subsequent meeting in order to permit further study and provide opportunity for interested parties to react. However, temporary approval may be granted by the Board in lieu of formal adoption to address emergency conditions or special events that may occur before formal action can be taken.

Unless otherwise specified, a new policy or policy amendment is effective as of the date of adoption by the Board and supersedes all previous policies in that area. Unless otherwise specified, the repeal of a policy is effective as of the date the Board takes such action.

BOARD REVIEW OF REGULATIONS

State law requires the Board to make rules and regulations for the government of the District, its employees, students and all other persons entering the District's grounds and premises.

Before issuance, Board regulations are properly titled and coded as appropriate to subject and in conformance with the codification system selected by the Board. Those regulations officially approved by the Board are so marked. All others regulations appearing in the manual are considered approved, provided that they are in accordance with the accompanying Board policy.

The Board may review regulations developed by the administration to implement policy. The Board revises or nullifies these administrative regulations only when they are inconsistent with policies adopted by the Board or when they are not in the best interest of the District.

POLICY DISSEMINATION

The Superintendent is directed to establish and maintain an orderly plan for preserving and making accessible the policies adopted by the Board and the regulations needed to put them into effect. Accessibility to policies extends to all members of the school community. A policy concerning a particular group in the District is distributed to the group prior to the effective date of the policy.

Distributed policy manuals remain the property of the Board and are considered as “on loan” to anyone, or any organization in whose possession they might be at any time. Manuals are subject to recall at any time deemed necessary for purposes of updating.

The Board’s policy manual is considered a public record and is open for inspection in a location designated by the Board.

POLICY REVIEW AND EVALUATION

The Board reviews its policies on a continuing basis in an effort to keep its written policies consistent with community values and compliant with Federal and State law. Well-written, consistent and compliant policies may be used as a basis for Board action and administrative decisions.

The Board evaluates how the policies have been executed by the staff and weighs the results. It relies on staff, students and the community for providing evidence of the effect of the policies which it has adopted.

The Superintendent has the continuing responsibility of calling to the Board's attention all policies that are outdated or need revision. To accomplish this, the Superintendent may request input from any Board or advisory committee.

NEW BOARD MEMBER ORIENTATION

The Board may provide an orientation program for its members-elect. The primary purpose of this program is to acquaint the members-elect with the procedures of the Board and the scope of their responsibilities and to assist them to become informed and active Board members.

The Board, Treasurer and the administrative staff assist each member-elect in understanding the Board's functions, policies and procedures before the member-elect takes office.

The following techniques may be employed to orient new Board members.

1. Selected materials, Board policies, regulations and other helpful information are furnished to the member-elect by the Superintendent.
2. Immediately after the general election, the member-elect is invited by the Board to attend Board meetings.
3. The Treasurer provides agendas and other materials pertinent to meetings and explains the use of the materials.
4. The incoming member is invited to meet with the Superintendent and other administrative staff.

SCHOOL BOARD CONFERENCES, CONVENTIONS AND WORKSHOPS

In keeping with the need for continuing in-service training and development for its members, the Board encourages the participation of all members at appropriate conferences, workshops and conventions. In order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance.

1. The Board periodically decides which meetings appear to be most promising in terms of producing direct and indirect benefits to the District. At least annually, the Board will identify those new ideas or procedures and/or cost benefits which can be derived from participation at such meetings.
2. Funds for participation at such meetings are appropriated on an annual basis in the Board service fund. When funds are limited, the Board designates which of its members participate in a given meeting.
3. Reimbursement to Board members for their travel expenses is in accordance with the Board's travel-expense policy.
4. When a conference, convention or workshop is not attended by the full Board, those who do participate are requested to share information, recommendations and materials acquired at the meeting.

Board members may receive compensation for attending Board-approved training programs. A Board member desiring to attend a training program should have the Board take action to approve each training program. Compensation amounts are determined by the length of the program. A program of three hours or less may be compensated at a rate of \$60 per day. A program of more than three hours may be compensated at a rate of \$125 per day.

BOARD MEMBER COMPENSATION AND EXPENSES

The Board votes prior to January 1 to set the rate of compensation for newly elected or re-elected Board members. Because compensation for Board members may not be changed during their respective terms of office, changes in compensation must be made prior to the beginning of their respective terms.

Beginning January 1, 2004, Board Members will receive \$125 per meeting.

Board Service Fund

A Board “service fund” is established to pay expenses actually incurred by Board members or members-elect in their official duties. The sum set aside will not exceed the maximum amount permitted by law. This fund is used at the Board’s discretion to provide for members’ participation (not compensation) in workshops and conferences, for new Board member orientation and training and for other expenses in connection with assigned duties as permitted by law, including those made for a public purpose as defined below.

Spending Guidelines: Definition of Public Purpose

The Board recognizes that expenditure of funds within the District must fall within the scope of serving a public purpose as defined by State law. It is the Board’s determination that the following expenditures are a necessary part of the effective function of the extracurricular and cocurricular programs concerned, once reviewed and approved by the Superintendent:

1. awards;
2. recognition and incentive items for employees and/or volunteers and
3. prizes/awards/programs for students through the use of student activity funds.

The Superintendent, at the discretion of the Board, is permitted to honor employees and nonemployees with plaques, pins and other tokens of appreciation to include meals, refreshments or other amenities which further the interest of the District.

The Board affirms that the expenses incurred as listed above do serve public purposes which include the promotion of education by encouraging staff morale as well as support for the District’s educational program with citizens, members of the business community, advisory committee members and associated school districts. All expenditures are subject to approval by the Superintendent.

Vendor Compensation

Any compensation paid by a private vendor to a District official or employee, after the official or employee has participated in selecting the vendor, is considered “public money” and must be returned to the District.

Travel Compensation

All travel arrangements must be in compliance with District field trip regulations and approved by the Treasurer or his/her designee.

EVALUATION OF SCHOOL BOARD OPERATIONAL PROCEDURES

Boards of education expect a high level of performance from those who are employed to run the schools. Stakeholders also expect a high level of performance from those who are elected to govern the schools.
